Notes: 1. In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.

Ming Chuan University Department of Risk Management and Insurance (academic unit) Course Outline for all students entering in 2016 page 5 of 5

2. Students need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation. Only 12 course credits will be counted toward graduation. Additional course credits earned in General Education courses are not counted toward graduation.

3. The two-credit Business Ethics, listed in General Education, is the core course for SOM undergraduate students, who should obtain the credits in 3rd or 4th year for graduation.

4. No more than 20 of relevant course credits offered by the Management-related and elective courses. Credits of Military Training, Nursing Training, or Physical Education will be counted toward graduation.

5. Teacher Education Credits are not counted toward graduation.

6. SOM's undergraduate students are required to participate in at least 8 hours of community-based service learning activities.

7. The newly added elective courses in this academic year can be applied retroactively to students who entered from 2016 academic year.

8. The credits of interdisciplinary focused course program are not included in course structure diagram that can be regarded as the other department credits.
